TRANSFER RESOURCES

Each VCCS college offers one or more transfer programs intended to meet the lower-division curricular requirements of senior institution baccalaureate programs. Transfer from VCCS colleges to public institutions (especially for graduates of VCCS transfer programs) is facilitated by the State Policy on Transfer. Students desiring additional information about transfer programs and courses should contact the Chief Transfer Officer at a specific institution. The State Council of Higher Education (SCHEV) monitors and coordinates statewide transfer policy and activities through the State Committee on Transfer. The SCHEV Transfer Program Tool provides information on the transferability of more than 60 commonly offered courses from the VCCS to specific four year institutions. The web address is <http://www.schev.edu/Students/xfr.asp>

Many public and private universities and colleges in Virginia and surrounding areas publish a transfer guide to help students from VHCC and other schools in the Virginia Community College System (VCCS) determine appropriate transfer procedures and transfer course equivalencies. Typically, students may request a transfer guide from the Admissions Office at the transfer institution.

The listings below are for institutions that have transfer guides available on-line. Under each college, a link to their transfer admissions page is also included. If the Virginia school you are interested in does not appear on this list you may visit the State Council of Higher Education for Virginia web page at <http://www.schev.edu/> to access the websites of other Virginia colleges and universities. Also, VCCS Academic Services and Research has created a webpage called System-wide Transfer and Articulation Agreements which contains up-to-date information regarding current agreements – <http://www.vccs.edu/vccsasar/agreements.htm>.

KEY QUESTIONS STUDENTS SHOULD ASK 4 YEAR COLLEGES ABOUT THE TRANSFER PROCESS

- What is the name and phone number of the contact person for transfer student in my major
- When should I apply and send transcripts?
- Are transfer should accepted Fall, Spring, and Summer Semesters?
- What is the minimum GPA required to transfer?
- Will my high school transcripts and SAT scores be required?
- Must specific courses be completed before transfer?
- Would an associate's degree give any particular advantage?
- What courses should I take at my current college before I transfer?
- Are there a maximum number of credits that I can transfer?
- Are there a minimum number of credits a student should have to be considered a transfer student?
- How do I sign up for a campus tour?
- What orientation activities are available?
- If I took an orientation activities are available?
- When is the earliest I can register?
- What types of registration do you have? (on-live, telephone, main-in, in person)
- What is the Financial Aid/application deadline?
- Do you have a directory for off-campus housing?

Who Can Answer My Transfer Questions?

Tim Harrison, Academic Counselor

Division of Business, Humanities, and Social Sciences

Location: (ISC-208) phone: 276-739-2402

Email: tharrison@vhcc.edu

Paige Kelly, Academic Counselor

Nursing and Allied Health

Location: (ISC-208) phone: 276-739-2485

Email: pkelly@vhcc.edu

Brenda Legge, Academic Counselor

Division of Science and Engineering Technologies

Location: (NEB-938) phone: 276-739-2434

Email: blegge@vhcc.edu

Mike Fillnow, Transfer Counselor

Project EXCEL

Location: ISC phone: 276-739-2405

Email: mfillnow@vhcc.edu

VHCC TRANSFER GUIDE

Virginia Highlands Community College (VHCC) transfer programs lead to the AA&S (**Associate in Arts and Sciences**) Degree. These programs are designed for transfer and include choices that allow students to coordinate VHCC course work with lower division senior institution requirements.

This booklet offers course suggestions for students and faculty advisors as they work together in coordinating transfer plans. Students are encouraged to follow VHCC. While VHCC provides transfer resources and information to assist students to determine the transfer admission policies and requirements of the department or program at the intended transfer institution. The information included in this booklet represents the most current information possible but does not list requirements for every four-year degree. All education institutions may make changes to their academic programs without notice. Students should always consult with the appropriate colleges to determine current requirements. This guide is intended to be used in conjunction with VHCC and senior institution catalogs and other available materials. It is strongly recommended that you visit the campus and consult with advisors for firsthand information. This is an information and planning guide. It is strongly recommended that students interested in transferring consult with VHCC Division Counselors and the senior institution of their choice for assistance.

Many four-year public colleges and universities in Virginia accept the Associates in Arts and Sciences degree in its entirety in lieu of their core curriculum requirements and award junior status to transfer students.

To help facilitate the transfer process, each state supported college and some private colleges in Virginia produce a "Virginia Community College Transfer Guide" These transfer guides provide specific information about the transferability of courses and/or programs to their respective institutions. Transfer guides can be obtained directly from the college of interest or students may also download many Virginia transfer guides on-line at the following address:

<http://www.vccs.edu/transfer/>

The State Council of Higher Education (SCHEV) monitors and coordinates statewide transfer policy and activities through the State Committee on Transfer on Transfer. The SCHEV Transfer Program Tool

provides information on the transferability of more than 60 commonly offered courses from the VCCS to specific four year institution on transfer contact one of the division counselors:

<http://www.schev.edu/students/transfer/default.asp>

Which Degrees Transfer Best?

VHCC's Associate in Arts and Sciences (AA&S) degree provides flexibility and ease of transfer. Most of the courses transfer to other educational institutions. Academic plans that fall in the Category are:

Business Administration

Education

Education: Theater Arts

Education: Art

Education: Teacher Preparation

Liberal Arts

General Studies

Science

Science: Horticultural Production

All the above programs offer the general education core curriculum usually required in the lower division of baccalaureate programs. For example: Liberal Arts provides the general education core curriculum expected of first and second year students plus the foreign language requisite that many institutions and majors have. Therefore, students expecting to complete a bachelor's degree at a senior institution will be served well in any of these majors. While student, the above majors offer freshman and sophomore level courses for transfer students.

Ease of transfer depends on the senior institution selected and the major. Some liberal arts colleges have very flexible transfer policies, allowing students to use many Associate in Applied Science4 (AAS) oriented courses as electives toward the bachelor's degree, while other schools require adherence to a specific general education core which is more easily found in the AA&S Degree Programs. Students **should not** expect courses in their Associate in Applied Science (AAS) programs to transfer without verification from the specific senior institution of choice.

The following courses outline the core curricula found in the Arts and Sciences degrees.

•English

Generally, transfer students should complete English 111-112 plus 6 semester hours of literature.

•Mathematics

MTH 151-152 is generally acceptable for majors in Liberal Arts and General Studies. However, the most solid one-year math transfers series is MTH 163-164 or Math 173-174. Business majors should take MTH 163 and 271 or MTH 241 and 242. Students in teacher Preparation programs should take MTH 158 and 240 or 241.

•Humanities

VHCC humanities electives can be selected from the following options: Art History ART 201, 202; literature ENG 241-242, 243-244, 251-252; Music Appreciation MUS 121-122; Intro to Theatre SPD 130; Art of the Film SPD 151, 152; New and Old Testament and World Religion REL 200, 210, 230; And Spanish and French if not specifically required in your curriculum.

•Social Science

Social Science electives can be selected from the following options: Economics 201-202; Geography 210 and 220; History 101-102 and also HIS 111, 121-122 ; Political Science 135, 211-212; Psychology 200 and Sociology 200 if not specifically required in your major.

•Foreign Language

VHCC offers French and Spanish 101-102, 201-202, as foreign language selections. The Virginia Community College System offers other foreign languages via distance formats.

•Computer Literature

Most Baccalaureate degree programs require competencies in computer fundamentals ITE 100, and/or computer applications ITE 115. Some college majors such as Business Information Systems require a programming language. ITP 112-212. Students should consult with senior institution regarding computer background requirements.

Grades

“D” grades generally do not transfer.

A student must have a minimum 2.0 and some times a 2.5 Cumulative GPA to meet transfer entrance requirements. Due to large number of applicants at some colleges and universities, we recommend that transfer students be prepared with a competitive GPA, of at least a 3.0

GENERAL EDUCATION COURSES AT VHCC

The courses listed below represent General Education Core classes at most colleges and universities. Those courses can be found in the majors listed for the Associate in Arts and Science Degrees (AA&S) at VHCC.

- **ACCOUNTING**
Principles of Accounting, ACC 211-212 (Business Majors only)

- **ECONOMICS**
Principles of Macroeconomics, ECO 201, Principle of Microeconomics, ECO 202

- **ENGLISH**
College Composition, ENG 111, 112
American Literature, ENG 241-242, English Literature, ENG 243-244, World Literature, ENG 251-252

- **GEOGRAPHY**
People and the Land: Intro to Cultural Geography, Geo 210, World Regional Geography, GEO 220

- **HEALTH**
Wellness courses in Health and Physical Education, HLT and PED
Concepts of Personal and Community Health, HLT 110

- **HISTORY**
World History HIS 111
History of Art 201-202
US History, HIS 121-122, Western Civilization, HIS 101-102

- **MATH**
Mathematics for Liberal Arts, MTH 151-152 (limited transfer-consult with academic counselor)
College Algebra, MTH 158
Pre-calculus, MTH 163-164
Calculus with Analytic Geometry, MTH 173-174
Applied Calculus, MTH 271-272
Statistics, MTH 241-242 or MTH 240 (Education Teacher Prep Students)

- **MUSIC**
Music Appreciation, MUS 121-122

- **POLITICAL SCIENCE/GOVERNMENT**
American National Politics, PLS 135 or U.S. Government, PLS 211-212

- **RELIGION**
Survey of the Old Testament, REL 200, Survey of the New Testament, REL 210, Religions of the World, REL 230

- SCIENCE
General Biology BIO 101-102
Human Anatomy and Physiology BIO 141-142
College Chemistry, CHM 111-112
General College Physics, PHY 201-202
Physical Geology, GOL 105
Historical Geology, GOL 106

- SOCIAL SCIENCES
Principles of Psychology, PSY 200
Principles of Sociology, SOC 200

- SPEECH
Introduction to Speech Communication, SPD 110

- TECHNOLOGY
Fundamental IST Skills ITE 100, ITE 115, ITP 120, 220, 132, 232, and CSC 201-202.

**Note that other courses may transfer. For an evaluation, check with the senior institution to which you have chosen to transfer.*

GUIDELINES FOR MATHEMATICS TRANSFER

MTH 151-152 LIBERAL ARTS MATHEMATICS

- Placement recommendation for MTH 151-152. Prerequisites of three units of college prep mathematics in high school, such as Algebra I, Geometry, Algebra II, or satisfactory completion of MTH 03, 04, and 06.
- Intended for students in the Liberal Arts and General Studies curricula.
- Includes sets, logic theory, real number system, algebra, relations, functions, graphs, probability, and statistics.
- Transfer primarily Humanities, Fine Arts or Liberal Arts majors. Does not transfer to ETSU in any major.

MTH 163-164 Pre-Calculus Mathematics

- Placement recommendation for MTH 162-164. Prerequisite of three units of college prep mathematics in high school such as Algebra I, Trigonometry, Geometry, and Calculus.
- Pre-Calculus math (163-164) is a solid math choice for transfer students.
- Includes Algebra, Trigonometry Geometry, and Calculus.
- Also serves as a pre-requisite course for students preparing for MTH 271-272 or 173-174.

MTH 173-174 Calculus Mathematics

- Placement recommendation for MTH 173-174. Prerequisite of four units of college prep mathematics in high school, such as Algebra I, Geometry, Algebra II, Math Trigonometry or satisfactory completion of MTH 03, 04, and 06. Students may also prepare for this math course by completing MTH 163-164.
- Intended for engineering students, math majors, and computer science majors.
- Includes analytic geometry and calculus including functions, limits, derivatives, differentials, indefinite integrals, and applications.

Math 271-272 Applied Calculus

- Placement recommendation for MTH 271-272. Prerequisite of four units of college prep mathematics in high school, such as Algebra I, Geometry, Algebra II, Math Analysis or satisfactory completion of MTH 03, 04, 06, and 07. Students may also prepare for this math course by completing MTH 163.
- Business Administration students who plan to transfer to Virginia Tech should take the MTH 271-272 for business majors.

MTH 241-242 Statistics or MTH 240 (Education Teacher Preparation)

- Placement recommendation for MTH 240 or MTH 241 and MTH 163 or equivalent.
- Includes description statistics, probability distributions, estimation hypothesis testing, and correlation and regression.
- This is a good choice for Business Administration majors not requiring Pre-calculus and Calculus.
- This is the preferred mathematics course for transfer to UVA-Wise, ETSU, and ODU.

BUSINESS EDUCATION PROGRAMS

Business technology programs may be transferred to the Vocational Education Program at Virginia Tech in the areas of Accounting, Business Management, Information Systems Technology, and Administrative Support Technology. Transfer leads toward a Bachelor of Science Degree in Education. Interested persons should contact:

Vocational and Technical Education
V-22 Program
Virginia Polytechnic Institute and State University
111 Lane Hall
Blacksburg, Virginia 24061

This program is designed as follows:

VIRGINIA HIGHLANDS COMMUNITY COLLEGE: AAS DEGREE

Technical Studies 30 Semester Hours
Technical Related Studies 18 Semester Hours
General Studies 12 Semester Hours
Total credits transferred 60 maximum Semester Hours

For example, a student in Administrative Support Technology will graduate from VHCC with the:

Required 30 semester hours in Technical Studies
And 18 semester hours in Technical Related Studies
And 12 semester hours in General Studies
For a total of 67 credits-60 of which will transfer.

Virginia Tech

General and Professional Studies are taken at Virginia Tech with a minimum of 66 semester hours in the following disciplines:

Humanities
History & Social Sciences
Laboratory Science such as BIO, CHM, GOL, or PHY
Mathematics
Professional Education & Internship

Note that other four-year institutions may offer similar programs.

TEACHER PREPARATION MAJORS IN EDUCATION

A. COLLEGE PREPARATION FOR TEACHING:

1. General Core Requirements for specific licensure sought.
 - These courses should be completed at VHCC under the Education: Teacher Preparation/Major.
2. Major Concentration Requirements
 - Elementary Education Licensure usually requires an interdisciplinary major that provides a strong foundation in language, literature, and cultural heritage; combined with strong mathematics, social sciences, and science components.
 - Secondary education licensure requires major in a specific discipline such as English, Mathematics, Spanish, etc., to acquire depth in a teaching field.
3. Professional Studies
 - Experiential Learning may be the focus of this educational component to be completed at the senior institution.

B. PRAXIS I:

The Praxis Assessment Series is an Education Testing Service (ETS) program used for teacher certification of Virginia. The Praxis I assessment is used by colleges and universities to qualify individuals for entry into teacher education programs. Contact your intended transfer school for information on entry requirements.

- Praxis I: Pre-Professional Skills Assessments (PPST) are designed to be taken early in your college career to measure your reading, writing, and mathematical skills. The assessments are available in two formats-paper-based, and computer-based.
- **Early testing for Praxis I is strongly recommended. VHCC students can take a trial test after successfully completing English and Mathematics requirements. Requests can be made by contacting Dona Lee, ISC 208, or tharrison@vhcc.edu.**
- Virginia requires students to pass Praxis I or have qualified SAT or ACT scores before licensure is issued.
- There is no time limit to the number of times students may take Praxis I sub-tests (reading, writing, math).
- Contact Connie Estep at Old Dominion University through The Southwest Higher Education Center for information on Praxis Preparation Class in Abingdon at (276) 619-4318 or cestep@swcenter.edu
- **Students should request the Registration Bulletin and Test at a Glance at:** www.ets.org/teachingandlearning or contact ETS at 1(609) 771-7395. ETS can also provide information regarding testing dates and sites.

C. PRAXIS II:

- Subject Assessment tests will measure your knowledge of the subjects you will teach and teaching skills and knowledge.

D. PRAXIS III:

- Classroom Performances Assessments are used to evaluate all aspects of a beginning teacher's classroom performance and are administered after a job placement.

Appalachian State University

The Office of Admissions

Appalachian State University

A.S.U. Box 32004

Boone, North Carolina, 28608-2004

<http://www.admissions.appstate.edu/process/transfers.html>

Admissions Phone #: 828-262-2120

admissions@appstate.edu

Transfer admission is based on successfully meeting all requirements and space availability. Transfer students are admitted based on successful completion of 30 semester hours of college transferable credits. Technical, developmental and orientation courses are usually not transferable. A cumulative grade point average of 2.0 (as calculated by Appalachian) is required to be admitted. All grades earned in transferable courses, including repeated courses, are used in calculating the grade point average. **(Transfer applicants with less than 30 semester hours must meet the [admission requirements for freshmen](#).)**

Students less than 24 years of age who have not completed the high school [Minimum Course Requirements \(MCR\)](#) must earn either an Associate in Arts, Associate in Science, or an Associate in Fine Arts degree or complete 6 semester hours in each of the following college level areas: English, math, science, and social sciences in order to meet [Minimum Course Requirements \(MCR\)](#). Two units of a second language will be required of applicants who are high school graduates of 2004 and beyond before being admissible.

Transfer students applying for summer or fall admission are encouraged to apply 6-12 months in advance of their intended entry date. Transfer applications for spring entry are processed in early October of the preceding semester. Applications are usually processed in approximately four weeks after the completed application is received.

To make the application process easier, we encourage you to [apply on-line](#). Why? It's easy (the on-line form has detailed instructions). It's safe (the data is encrypted). And applying on-line also means a shorter review and notification process.

The application for admission for the Fall, Spring, and Summer 2009 terms will be available by September 3, 2008.

If it is not possible for you to apply on-line, please contact our office for further assistance. Admissions representatives are available weekdays (Monday-Friday) from 8:00 a.m. to 5:00 p.m. EST. Call 828-262-2120; e-mail admissions@appstate.edu; or [contact us](#) if you have any questions. How you apply--on-line or paper-- will not have any bearing on the admission decision.

A complete application package includes the following items:

- A completed online application.
- A non-refundable application fee of \$50.
- Official copy of high school transcripts that includes grades 9 - 12.
- SAT or ACT results submitted directly to Appalachian from the appropriate testing service (we recommend that all transfer applicants submit test scores but transfer students with fewer than 30 semester hours of transferable work must present SAT or ACT scores).
- Official college transcripts submitted directly to Appalachian from each previously attended institution. This includes freshmen applicants who are taking (or have completed) college dual-enrollment courses.

Appalachian State Core Curriculum and VHCC Equivalency

APPALACHIAN STATE REQUIREMENTS	VHCC EQUIVALENT
--------------------------------	-----------------

ENGLISH (6 CREDITS)

English 1000 College Composition	ENG 111
English 1100 College Composition	ENG 112

Transfer Tip:

***APPLY TO YOUR TRANSFER SCHOOL AS EARLY AS POSSIBLE**

It is a good idea to plan ahead and to apply well in advance to the deadline for admission to the college or university of your choice. By applying in advance, you decrease the chances for last minute problems with the application process and you may qualify for early registration opportunities.

The College of William and Mary Core Curriculum and VHCC Equivalency

COLLEGE OF WM & MARY	VHCC EQUIVALENT
FOREIGN LANGUAGE PROFICIENCY	
<p>Students can meet the foreign language requirement if they have completed fourth year level of a single ancient or modern language in high school, or demonstrated proficiency by achieving scores of 600 on the College Board Achievement Subject Test in French, German, Russian or Spanish or scores of 650 in the Test in Latin, or complete a fourth semester course or above in a foreign language in college.</p> <p>FREN 201, 202 HISP 201, 202</p>	<p>FREN 201, 202 SPA 201, 202</p>
WRITING PROFICIENCY	
<p>Writing 101</p> <p>A Concentration Writing Requirement described by individual departments, programs or schools must be completed before the beginning of the graduating semester and normally during the junior year. VHCC recommends writing intensive preparation before transfer, therefore encourages students to complete ENG 112.</p>	<p>ENG 111</p>
PHYSICAL ACTIVITY PROFICIENCY (TWO COURSES)	
<p>Physical Activity</p>	<p>PED (activity courses)</p>
FRESHMAN SEMINAR	
<p>Freshman Seminar</p>	<p>Transfer students with 24 semester credits earned after graduation from high school are exempt from this requirement.</p>

Transfer Tip:

***REALIZE THAT IT MAY TAKE TIME TO ADJUST TO YOUR NEW COLLEGE ENVIRONMENT.**

Any major change requires a period of adjustment. Try not to get discouraged by the hassles of your first semester. It often takes a while to “learn the ropes” and to become comfortable in your new environment, especially if you have moved away from home. You may encounter larger classes, different teaching styles, classes taught at odd hours, and different homework requirements.

Longwood University Core Curriculum and VHCC Equivalency

LONGWOOD REQUIREMENTS	VHCC EQUIVALENCY
GOAL 1 (1 credit) Seminar	SDV- 101
GOAL 2 (3 credit) Freshman Writing	ENG 111
GOAL 3 (3 credit) Literature	ENG 241, 242,243,244,245,246,251,252
GOAL 4 (3 credit) Artistic Achievement	ART 201,202, MUS 221,122, SPD 130
GOAL 5 (3 credit) Math	MTH 158,163,164,240,241,271,272,275
GOAL 6 (4 credit) Natural Science	BIO 101, CHM 111, GOL 106, PHY 121, PHY 201
GOAL 7 (3 credit) Western Civilization	HIS 101,102
GOAL 8 (3 credit) Social Sciences	HIS 121,122, PLS 135, 211, PSY 200, 201, 202, SOC 200, 201, 202, 205
GOAL 9 (3 credit) Diversity	REL 230
GOAL 10 (3 credit) Foreign Language	FRE 201,202, SPA 201,202
GOAL 11 (2 credit) Wellness	PED
<p>If you earn the Associate of Arts and Sciences Degree (AA&S) at VHCC and are admitted to Longwood, you will automatically meet all Lower Division General Education Goals, enter with junior status, and all of your credit earned for that degree will transfer. Students should be aware that some majors require specific courses to meet general education goals so they should refer to the Longwood Catalog</p>

Transfer Tip:

***REQUEST TRANSCRIPTS EARLY**

If you have attended other colleges or universities you should request transcripts to be sent from those schools to the college/university you are transferring to. Usually requests your signature. If you transcript evaluation, find out who is responsible for evaluations at your transfer college and contact that individual.

University of Virginia Core Curriculum and VHCC Equivalency

UVA REQUIREMENTS	VHCC EQUIVALENCY
------------------	------------------

**For College of Arts and Sciences
ENGLISH COMPOSITION (3 CREDITS)**

ENWR 101	ENG 111 The full sequence of ENG 111-112 is recommended
Additional Writing Requirement To be completed at UVA	

FOREIGN LANGUAGE (0-14 CREDITS)

FOREIGN LANGUAGE Proficiency to intermediate level	FRE 101, 102, 201, 202 SPA 101, 102, 201, 202
---	--

**HUMANITIES (6 CREDITS)
Any two of the following groups:**

ENLT 214, 211, 212, 215	ENG 242, 243, 244, 251
Fine Arts	ART 201, 202 No performance courses
Moral, Philosophical and Religious Perspectives	PHI 101 REL 200, 210

**SOCIAL SCIENCES (6 CREDITS)
Any two courses of the following:**

ECON 202, 201	ECO 201, 202
PLAP 101	PLS 135, 211
PSYC 101	PSY 201, 202
SOC 101	SOC 201, 202

**MATHEMATICS AND NATURAL SCIENCE (12 CREDITS)
Selection should include both mathematics and sciences**

Biology	BIO 101, 102
Chemistry	CHM 111, 112
Physics	PHY 201, 202
MATH 108	MTH 151
MATH 131	MTH 173
STAT 112	MTH 240
MATH 121	MTH 271

Math courses must include statistics, finite math calculus, or higher level-courses; pre-calculus will apply towards a degree but will not satisfy the core requirement.

HISTORICAL STUDIES (3 CREDITS)

HIEU 201, 202	HIS 101, 102
HIUS 201, 202	HIS 121, 122
Nonwestern perspective To be completed at UVA	

The above model is the transfer model for the College of Arts & Sciences. Students transferring to UVA in other colleges should consult UVA or the Division Counselor at VHCC
