WEEKLY MEETINGS

Academic Planning will be the overall theme for activities and meetings this month! Having a plan and putting some thought into your classes will ensure you are prepared for your next steps. We will go over your transcripts, update your Raise.me and Coalition for College accounts, develop a plan for classes you should take next year, play a game about college scheduling, and cover topics such as GPA, post-secondary planning, and Transfer VA. You won't want to miss any of this important information!!

ZOOM MEETINGS

We will host zoom meetings
EVERY TUESDAY AT 4:00PM
for those of you who are still virtual,
or if you miss an in-person meeting.
We will send the zoom link in an
email each week.
